Can the storage area be purchased

Overview

If you want to purchase property for a self-storage business, there are two main things to consider. What are the local zoning regulations?

And how do you want your self-storage facility to be laid out?

You have so many options for unit mix and site layout. And Boxwell can help. Are you in the.

If you want to purchase property for a self-storage business, there are two main things to consider. What are the local zoning regulations?

And how do you want your self-storage facility to be laid out?

You have so many options for unit mix and site layout. And Boxwell can help. Are you in the.

Storage units are secure, rentable spaces where people store their belongings when they lack adequate storage at home, during moves, or when downsizing. These units come in various sizes, typically ranging from 5×5 feet (like a small closet) to 10×30 feet (comparable to a one-car garage or larger).
