China energy storage ceo conference

Overview

When is China International Energy Storage Expo & conference 2025?

China International Energy Storage Expo and Conference (CIES 2025) will take place from March 23-26, 2025, at the Hangzhou International Expo Center in Hangzhou, China.

What is China International Energy Storage Conference?

The China International Energy Storage Conference is a platform focusing on industrial energy storage manufacturing. Here we showcased new technologies and were very happy to see many customers coming to our booth to communicate. In the future, we will participate in the exhibition with better solutions.

Why should you attend the energy storage Conference?

This influential gathering will feature high-level industry reports and high-end dialogues, creating a major platform for academic exchange and collaboration within the energy storage sector. The event will also place a stronger emphasis on international outreach and promotion.

Will 2025 China energy storage industry pioneer award winners be included in this book?

2025 China Energy Storage Industry Pioneer Award winners have the opportunity to be included in this book. Please contact us for details.
