Energy storage conference and exhibition

Overview

What is energy storage International Conference & Expo (Esie)?

The "Energy Storage International Conference and Expo (ESIE)" is a leading trade fair and conference that has been held annually at the Beijing Shougang Exhibition & Convention Center in Beijing since its inception in 2012.

When is China International Energy Storage Expo & conference 2025?

China International Energy Storage Expo and Conference (CIES 2025) will take place from March 23-26, 2025, at the Hangzhou International Expo Center in Hangzhou, China.

What are energy storage exhibitors?

These exhibitors cover every aspect of the energy storage industry chain, including battery technology, smart grids, renewable energy integration, and more. This highlights the event's international reach and industry influence, creating an efficient platform for global exchange and collaboration in the energy storage sector.

What is China International Energy Storage Conference?

The China International Energy Storage Conference is a platform focusing on industrial energy storage manufacturing. Here we showcased new technologies and were very happy to see many customers coming to our booth to communicate. In the future, we will participate in the exhibition with better solutions.

Why should you attend the energy storage Conference?

This influential gathering will feature high-level industry reports and high-end dialogues, creating a major platform for academic exchange and collaboration within the energy storage sector. The event will also place a stronger emphasis on international outreach and promotion.

What is the SNEC energy storage exhibition & conference?

The SNEC Energy Storage Exhibition and Conference brings together numerous leading companies from around the world, attracting over thousands of domestic and international exhibitors each year. These exhibitors cover every aspect of the energy storage industry chain, including battery technology, smart grids, renewable energy integration, and more.
