Why should Canada host a national energy storage Conference?

We're thrilled to host our largest-ever gathering of energy storage stakeholders at Canada's only national energy storage conference. Canada's energy security, diverse resources, and proven ability to leverage them have firmly established the country as a global leader in energy development.

What is the battery and energy storage Conference?

September 24, 2025 to September 25, 2025 The Battery and Energy Storage Conference will engage scientists, engineers, and policy makers working in the fields of energy storage and relevant technologies to identify, communicate, and explore current advancements in storage materials, devices, and systems.

Why should you attend the energy storage Conference & tradeshow?

Whether you're looking to gain fresh insights, showcase your expertise, or collaborate with like-minded professionals, this is the event you can't afford to miss. It's Canada's only national energy storage conference and tradeshow! Partner / Exhibit with Us! Nominate for an Award!.

What happened at the Energy Storage Summit USA 2025?

Attendees joined for two days of content, strategic networking, and the not-to-be-missed Summit afterparties at the 7th edition of the Energy Storage Summit USA. Energy Storage Summit USA 2025 was the perfect platform to connect key industry players across the entire value chain of this buzzing US market.

What is the C&I Energy & Storage Summit?

The C&I Energy + Storage Summit focuses on energy security for commercial and industrial businesses, emphasising solar-plus-storage projects. Attendees will gain insights into reducing energy costs, ensuring reliable energy supply,

decarbonisation, and leveraging new technologies.

What's happening at the 2025 energy storage Canada Conference?

At the 2025 Energy Storage Canada Conference, you'll hear from key stakeholders—including utilities, manufacturers, regulators, and government officials—on how Canada's energy storage industry is integral to POWERING Canada's Energy Advantage in the ongoing energy transition. We hope you'll join us in Toronto!!
