What is the energy storage brand exhibition?

Experts and representatives from well-known companies in China and other countries and regions explored the development trends of the energy storage industry. The energy storage brand exhibition kicked off on April 11 and will last until April 13 at Shougang Park Convention and Exhibition Center, attracting more than 500 energy storage brands.

Is Shougang Park a good venue for Esie 2024?

This year, Shougang Park was chosen as the venue for ESIE, evidencing the distinct advantages of Shougang Park in terms of holding large-scale international conferences. (Source: Shougang Park) The 12th International Conference and Expo (ESIE 2024) was launched on April 10 and will last until April 13 in Shougang Park.

What is China energy storage Alliance (Esie)?

The fair is organized by the China Energy Storage Alliance, which plays a key role in promoting and developing the energy storage industry in China. At the heart of the ESIE is the presentation and promotion of the latest developments in the energy storage industry.

What is the energy storage innovation competition?

A special highlight of the fair is the awarding of the "International Energy Storage Innovation Competition," which honors outstanding innovations in the field of energy storage. In addition, seminars and conferences with experts provide valuable insights and opportunities for professional exchange.
