### Secretary Granholm Announces New Goal to Cut

WASHINGTON, D.C. -- U.S. Secretary of Energy Jennifer M. Granholm today announced the U.S. Department of Energy (DOE)'s new goal to reduce the cost of grid-scale, ...

### DOE Announces \$33 Million to Deploy Solar

, the U.S. Department of Energy (DOE) today announced \$33 million for nine projects across seven states to advance concentrating solar-thermal (CST) systems ...

### National Blueprint for Lithium Batteries 2021-2030

Lithium-based batteries power our daily lives from consumer electronics to national defense. They enable electrification of the transportation sector and provide stationary grid storage, critical to ...

### Entergy and NextEra Energy Resources announce agreement to ...

NEW ORLEANS and JUNO BEACH, Fla., June 7, 2024 /PRNewswire/ -- Entergy (NYSE: ETR) and

NextEra Energy Resources LLC, a subsidiary of NextEra Energy Inc. ...

## US energy secretary: 'We need to act now to

US Secretary of Energy Jennifer Granholm spoke of the urgent need to create an advanced battery manufacturing value chain at a roundtable event with representatives of ...

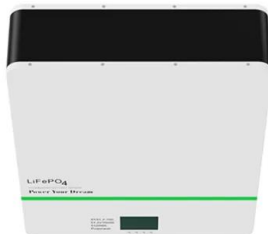

### Jennifer Granholm

Jennifer M. Granholm was sworn in as the 16th Secretary of Energy on February 25, 2021, becoming just the second woman to lead the U.S. Department of Energy (DOE). Secretary ...

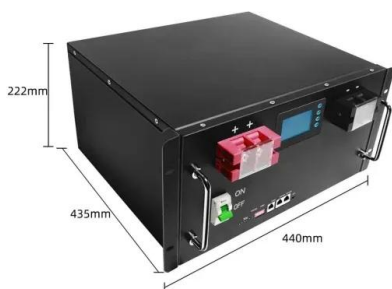

### Jennifer Kurtz

Dr. Jennifer Kurtz leads NREL's Energy Conversion and Storage Systems Center, which spans... · Experience: National Renewable Energy Laboratory · Education: Colorado State University

## Phase Change Materials for Renewable Energy Storage at

Thermal energy storage technologies utilizing phase change materials (PCMs) that melt in the intermediate temperature range, between 100 and 220 °C, have the potential to ...

## Major Types Of Energy Storage With Their ...

The battery is an accessible shape of storage, and electrochemical technological know-how comprising one or greater cells with a high-quality terminal known as a cathode and a bad terminal known

## Jennifer Ramsay, Editor at Large, Market Moves Newsletter

Jennifer Ramsay serves as the Editor-At-Large for Endeavor Business Media's Market Moves newsletter. A Georgia native, she holds a communications degree from the University of North ...

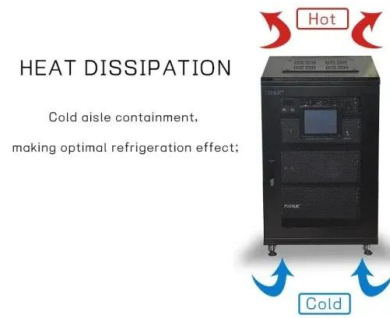

## Jennifer Stafford

Finance Director , Strategic & Commercial Leadership , Energy Storage & Infrastructure , EU Funding & Procurement · Currently, I serve as Finance Director at Silvermines Hydro ...

## Jennifer Granholm

Jennifer M. Granholm was sworn in as the 16th Secretary of Energy on February 25, 2021, becoming just the second woman to lead the U.S. Department of Energy (DOE). Secretary Granholm will lead DOE in ...

## A clean, quiet way to transform disaster response

After a hurricane or major storm, getting through power outages can be challenging, but nonprofit Footprintproject wants to change that. They're building mobile solar ...

## Revolutionizing Energy Storage: The Emerging Market of Thin

In an era where technological advancement is driving innovation at an unprecedented pace, energy storage solutions play a pivotal role in shaping the future of ...

## Exploring Energy Storage Solutions for Renewable ...

As a renewable energy recruiter, I'm excited to delve into one of the most pressing topics in the industry: Energy Storage Solutions. With the increasing adoption of renewable energy sources like

## Jennifer Skurski

VP, Resources, Energy Storage · Experience: Albemarle Corporation · Education: Laurentian University/Université Laurentienne · Location: United States · 500+ connections on LinkedIn.

## Jennifer Schaefer , Notre Dame Energy , University of Notre Dame

The Schaefer research group studies ion transport and interfacial reactions with relevance to energy storage devices. The primary focus is liquid and polymer electrolytes to advance high ...

## Jennifer Kurtz

Jennifer Kurtz leads NREL's Energy Conversion and Storage Systems Center, which spans innovative, interdisciplinary, and integrated research and development for technology advancements in electrochemical, ...

## Renewable Energy Infrastructure: Focus on Battery Energy

Battery energy storage systems (ESS) play in driving the global transition toward sustainable energy sources. It's imperative to continually assess and enhance the performance ...

## Jennifer Pan

Her career spans roles with OEMs, EPC contractors, developers, and, currently, as a technical advisor at Everoze. Jennifer has directly contributed to projects totalling more than 6 GW in ...

## Jennifer Szaro , Intersolar & Energy Storage North America

Jen currently serves as President and CEO of the Association of Energy Services Professionals (AESP). At AESP, her leadership focuses on propelling the energy sector towards a ...

## DOE Announces Intent to Fund Solar and Battery

DOE Announces Intent to Fund Solar and Battery Storage for Community Healthcare Facilities and Multi-Family Housing Serving Low-and-Moderate-Income ...

## Jennifer Pan

Jennifer brings over a decade of experience in renewable energy engineering within the Australian utility RE sector. After completing her studies in solar PV engineering, she gained ...

## U.S.-India Strategic Clean Energy Partnership ...

Today, the Strategic Clean Energy Partnership (SCEP) Ministerial was convened by U.S. Energy Secretary Jennifer Granholm and Indian Minister of Petroleum and Natural Gas Hardeep Singh Puri in ...

## SRP deploys state's largest battery system to ...

SRP deploys state's largest battery system to handle peak energy demand spikes Utility Salt River Project has unveiled two new large-scale battery systems including the state's largest to shift

## Journal of Energy Storage , Vol 44, Part A, 1 December 2021

Read the latest articles of Journal of Energy Storage at ScienceDirect , Elsevier's leading platform of peer-reviewed scholarly literature

## A clean, quiet way to transform disaster response

After a hurricane or major storm, getting through power outages can be challenging, but nonprofit Footprintproject wants to change that. They're building mobile solar generators that will make disaster ...

## Jennifer Winds

tellus eget elit. Proin lacinia gravida elit, et sollicitudin enim velit. Aliquam erat volutpat. Integer malesuada turpis id fringilla suscipit. Maecenas at ultrices, orci vitae convallis mattis, quam ...

## Jennifer McCall

People-focused HR Professional with a proven track record of aligning human capital with... · Experience: Sunlight Group Energy Storage Systems · Education: Penn State University · ...

## **Journal of Energy Storage , ScienceDirect by Elsevier**

The Journal of Energy Storage focusses on all aspects of energy storage, in particular systems integration, electric grid integration, modelling and analysis, novel energy storage technologies, ...

## **Jennifer Schaefer , Notre Dame Energy , University of Notre Dame**

ND Energy fuels advancements in research and education, addressing global energy challenges and influencing a sustainable energy future for all.
