Esie italian energy storage exhibition

Overview

What is energy storage International Conference & Expo (Esie)?

The "Energy Storage International Conference and Expo (ESIE)" is a leading trade fair and conference that has been held annually at the Beijing Shougang Exhibition & Convention Center in Beijing since its inception in 2012.

What is energy storage International (ESI)?

SPI, Energy Storage International (ESI) and North America Smart Energy Week, has become the center of integration for the wider energy industry - with ESI (the largest energy storage event in North America, Smart Energy Marketplace + Microgrid, Hydrogen + Fuel Cells International, and Wind Energy International). [Click Here for more information.](#)

Why is ESI building a new energy storage facility?

ESI Director Stuart Parry said the facility will help the company establish a reliable and environmentally friendly energy storage industry in Australia and the Asia Pacific region. "Our products are essential to Australia's renewable energy future," Mr Parry said.

What is China energy storage Alliance (Esie)?

The fair is organized by the China Energy Storage Alliance, which plays a key role in promoting and developing the energy storage industry in China. At the heart of the ESIE is the presentation and promotion of the latest developments in the energy storage industry.
