

**JH Solar**

# **Hanergy power storage equipment**

## Overview

---

Hanergy is focused on the thin-film solar value chain, including manufacturing of solar modules and equipment, and developing of solar parks. It develops (CIGS), (GaAs) and thin-film technologies. Hanergy also operates as an , manufacturing thin-film components for various companies in the . It cooperates with , , , , and

Is Hanergy a Chinese company?

Hanergy Holding Group Ltd. (Hanergy) is a Chinese multinational company headquartered in Beijing. The company is focusing on thin-film solar value chain, including manufacturing and solar parks development. It also owns the Jinanqiao Hydroelectric Power Station and two wind farms. Hanergy is founded and controlled by Li Hejun.

Who is Hanergy Holding Group Ltd?

Hanergy Holding Group Ltd. is a multinational clean energy company as well as the world's leading thin-film solar power company, committed to changing the world by clean power. Established in 1994, the company is headquartered in Beijing.

How much power does Hanergy have?

At present, Hanergy's total installed capacity of hydropower projects exceeds 6GW, and its total installed capacity of wind power projects is 131MW.

Is Hanergy the smartest energy company in the world?

In February 2014, Hanergy was selected by the MIT Technology Review as one of the 50 smartest companies in the world. It was the only Chinese energy company honored with the award. This form collects your name, email and content so that we can keep track of the comment placed on the website.

Does Hanergy sell solar panels?

In September 2012, Hanergy reached an agreement with IKEA to distribute copper indium gallium selenide solar small-scale rooftop photovoltaic systems

("residential kits") in the United Kingdom., expanding into the Netherlands and Switzerland in the following two years.

What companies does Hanergy work with?

Hanergy also operates as an original equipment manufacturer, manufacturing thin-film components for various companies in the automotive industry. It cooperates with Audi, FAW-Volkswagen, Guangqi Honda, Tesla, and Bolloré, as well as domestic car companies like BAIC.
