# Internet cafe energy storage

## Overview

---

### What is the Internet café?

The Internet Café aims to bridge the gap in business support facilities for Small and Medium Enterprises (SMEs) in Secunda Fenceline townships. Enterprise and Supplier Development (ESD) is introducing a tailored development opportunity specifically targeting SMEs operating in this sector.

### How can SMEs support the Internet café?

Support the internet café to navigate challenges, make informed decisions, and build a solid foundation for long-term success. Access to finance through purchase order (PO) funding. Securing financial support through PO funding enables SMEs to reach new customers and scale their operations effectively. Infrastructure access for Township-based SMEs.

### What is Sasol Internet café?

Sasol launched an innovative Internet Café initiative in December 2023 to support township Small and Medium Enterprises in Embalenhle, Mpumalanga, promoting growth and development within local communities.
