Malaysia energy storage exhibition

Overview

Why should you visit Malaysia International Trade & Exhibition Centre?

The Malaysia International Trade and Exhibition Centre offers excellent infrastructure and is easily accessible by various means of transportation. These features highlight Malaysia's role as a key player in the field of solar technology and energy storage.

Is terrapinn bringing solar & storage live to Malaysia?

Paul Clark, Managing Director at Terrapinn Pte Ltd said, "We're delighted to be bringing our globally famous Solar & Storage Live brand to Malaysia for its inaugural edition.

Why is energy sustainability important in Malaysia?

Energy sustainability is a key component under the Malaysia Madani principles. The Malaysian government has committed billions of RMs (Ringgit Malaysia) to steer the country from a traditional fossil fuel-based economy to a high-value green economy under the National Energy Transition Roadmap (NETR).
