How much does a pam111 cost?

The price of PAM111 is approx \$5,600USD. This watch is eye catching with its simple dial, unique shape and awesome crown guard. It is popular among the watch community and you won't regret owning it. It is distinct in its own way and is much different than most other watches.

How does pam111 work?

The winding crown is secured by a small lever that must be released before winding the watch or setting the minute/hour hands. It only takes a minute to wind the movement fully. PAM111 comes with two straps; one brown leather strap and one black rubber strap. They are comfortable and easily fit an average-sized wrist.

What makes a pam111 a good watch?

The PAM111 has got a scratch-resistant sapphire crystal formed of corundum and is 3.5mm thick. It has also got an anti-reflective coating that helps reduce reflections. The crystal's edge protrudes just slightly above the polished bezel. On a PAM111, the dial is matte black and has got oversized luminous numerals and hour indices.

Where to buy a Panerai pam111 strap?

PAM111 is a timepiece that is extremely versatile. If you want to dress up your Panerai PAM111 with a beautiful watch strap, you can visit DaLuca Straps and get any strap. Whether you want a vintage French ammo strap or a military leather strap, you can find everything at DaLuca Straps.

How long does it take to wind a pam111 watch?

It only takes a minute to wind the movement fully. PAM111 comes with two straps; one brown leather strap and one black rubber strap. They are comfortable and easily fit an average-sized wrist. Each strap is secured by two

screws which can easily be removed with the help of the small Panerai screwdriver that comes with the PAM111 watches.
