A bank deposit is when a person or business gives their money to a bank for safekeeping. There are several standard ways to deposit money: in person, at an ATM, and online. For those without bank accounts or looking for different ways to deposit money, alternative options exist, like using pre-paid. Does MoneyPass have access to my account information?

MoneyPass is not the issuer of your card and therefore we do not have access to your account information, nor are we able to answer questions about your card or account. Please contact your bank, credit union or other issuing organization for more information about your account or how to use your card.

Can I use my MoneyPass® card at MoneyPass ATMs?

You can use your MoneyPass® card at MoneyPass ATMs to avoid paying that surcharge fee. Please be aware that your card-issuing institution (bank, credit union or prepaid card issuer) may charge other fees. You may wish to contact your card issuer to determine if you will be charged other fees associated with ATM transactions.

Where can I make a deposit with a bank card?

Many banks have ATMs that accept cash and checks. However, ATMs are available elsewhere, such as in convenience stores, malls, and restaurants. To deposit with an ATM, insert the card, enter the PIN, and choose “make a

deposit". Ensure the card and receipt are retrieved after the transaction is complete.

How do I contact MoneyPass customer service?

There should be a phone number on the back of your card to help you reach customer service for your card. MoneyPass is not the issuer of your card and therefore we do not have access to your account information, nor are we able to answer questions about your card or account.

How does a bank deposit work?

Bank deposits involve giving money to the bank for safekeeping. This increases the bank's funds, which they can then lend to others. Individuals can deposit money in the form of cash, checks, or an electronic transfer. The bank credits the account, and the account holder can withdraw those funds, sometimes earning interest.
