Pure battery energy storage brand energy storage logo

Overview

Who designed the Pure Storage (Pure P) logo?

The Pure Storage (Pure P) Logo Designed, by Smithographic, has been one of the most prestigious logo & brand identity design projects that I've had the pleasure to have ever worked on.

What is a Pure Storage logo?

This timeless color choice helps brands communicate premium quality and exclusivity. The Pure Storage logo is an example of the technology industry logo from United States. According to our data, the Pure Storage logotype was designed for the technology industry. You can learn more about the Pure Storage brand on the purestorage.com website.

Is Pure Storage a leader in the storage industry?

With a strong emphasis on customer satisfaction and continuous innovation, Pure Storage is consistently ranked as a leader in the storage industry. Psychology of colors in the Pure Storage logo: understanding the power of color in branding. Orange combines energy and warmth in the brand identity.

Does Pure Storage still use the 'pure P' logo mark?

Pure Storage still use this original 'Pure P' logo mark to this day, even though the overall brand identity has been expanded upon by The Signal Company, during the course of 2017. Although the Pure Storage brand has been updated, there was seen to be no need to change the 'Pure P' logo mark in any way, and that is a real real thrill for me.

Did Pure Storage change the logo design?

To see that Pure Storage have not changed the logo design, or affectionately known as the Pure P, in their recent brand identity update (photos above and below), is such a massive acknowledgement of how well the Pure Storage logo has stood the relative test of time.

What is the psychology of colors in the Pure Storage logo?

Psychology of colors in the Pure Storage logo: understanding the power of color in branding. Orange combines energy and warmth in the brand identity. It represents enthusiasm and adventure, creating an exciting and friendly atmosphere. This dynamic color helps brands express creativity and accessibility.
